## Suita City Joint Disaster Prevention Drill

### 吹田市一斉合同防災訓練について

We will conduct a disaster prevention drill simulating the occurrence of an earthquake. We encourage everyone to participate in their local community drill.

#### ■Date & Time

Sunday, January 18, 2026, 9:30 a.m. to 10:30 a.m.

※The ending time may vary depending on the area.

#### ■Locations

Local elementary schools, parks, and other designated sites

#### ■Drill Schedule

- An announcement signaling the start of the drill will be broadcast over the disaster prevention radio system.
- Take your emergency bag and evacuate.
- Check on everyone's safety (such as checking on neighbors) and share the information.
- Participate in your local community drill. (Some areas may not conduct drills on Sunday, January 18.)
