How Will You Pay Your City Taxes This Year?

市の税金、今年はどうやって納付しようかな？

There are several ways to pay your city taxes, including automatic bank withdrawal, convenience store payment, payment at a financial institution, and cashless payment using an eL-QR code with a payment app or credit card.

A) Bank Account Transfer is recommended

Your tax payment will automatically be withdrawn from your bank account on the payment due date. You will need to apply online or submit an application form. Forms are available at participating banks and post offices in the city. For details, please check here.

B) eL-QR Code Payment is recommended

Use a cashless payment app to scan the QR code on the payment slip. You can also pay by credit card through the Local Tax Payment Website by scanning the QR code. For details, please check here.

C) Convenience Store Payment is recommended

You can pay anytime during store business hours at participating convenience stores. Please bring the payment slip with a barcode. The maximum payment amount is 300,000 yen per payment slip. For details, please check here.

D) Financial Institution Counter Payment is recommended

Bring your payment slip to a designated financial institution. This method can also be used for amounts over 300,000 yen that cannot be paid at convenience stores. For details, please

check here.

<https://www.city.suita.osaka.jp/kurashi/1018404/1018414/1040622/1040623.html>

You can also pay at the designated financial institution counter inside the City Hall or by using a self-service payment machine.
