Save on National Pension Premiums with Advance Payment

国民年金保険料は前納がお得です

National pension premiums are discounted if paid in advance for a certain period of time (advance payment).

If you wish to make an advance payment, please complete the necessary procedures by the end of the month two months before the month you plan to start making the advance payment.

■ Benefits of Advance Payment

- Discounted premiums
- By paying several months' premiums at once, you can reduce the number of times you need to make payments.

■ Documents required to complete the procedure

- Identification documents (My Number Card, driver's license, residence card, etc.)
- A document that shows your Basic Pension Number (Basic Pension Number Notice, Pension Handbook, Payment Notice, etc.)
