Applications for Childcare Centers and Kindergartens Starting in April 2027

2027 年 4 月からの保育所・幼稚園などの利用申し込みがはじまります

【About Childcare Centers】

If parents or guardians need childcare because they are working, sick, pregnant, giving birth, etc., they can use childcare centers and other childcare facilities.

■Eligible Children's Age

Children from 0 years old to 5 years old as of April 1, 2027. (The eligible age varies depending on the facility.)

■Available Days

Monday to Friday (Some facilities are also available on Saturdays.)

■Available Hours

The available childcare hours are decided according to the parents' or guardians' circumstances

■Fees

Fees are determined based on factors such as the child's age and household income.

■How to apply

・ If you want your child to start using a childcare center or other facility in April 2027, please apply through the “Application Form for Childcare Centers, etc. [Fiscal Year Reiwa 9] (保育所等の利用申込フォーム【令和 9 年度】)” on the Suita City website between Friday, September 25 and Wednesday, October 7, 2026.

※Please note that your child may not be able to use the facility if the number of applicants exceeds the available capacity.

・ You will be notified by mail in late January 2027 whether your child can use the facility.

Application Process

Information

Available from
August 26
(Wednesday)

Check the Application Guide for Childcare Centers, etc.

Information will be published on the Suita City website. Application information is prepared for each fiscal year, so please check the information for the fiscal year in which you wish your child to start using the facility.

September 25
(Friday) –
October 7

Applications Start

An online application is required. Please prepare all necessary documents in advance before submitting your application. Please note that applications will not be accepted in paper form.

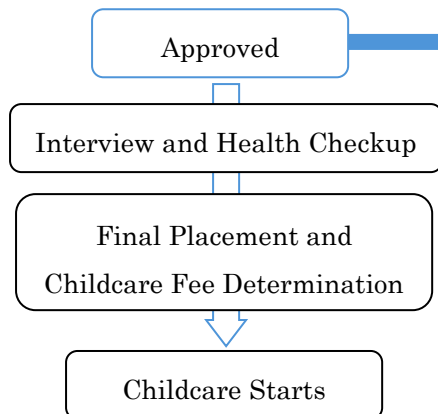

Selection and Placement Adjustment

Based on the documents submitted, the city will review whether the child meets the requirements for needing childcare. If the number of applications exceeds the available capacity, the city will conduct a placement adjustment based on the established placement adjustment criteria.

Notification of Results

The result will be sent by mail, whether your child is approved for placement or not accepted.

Late January

The AI Chatbot Is Convenient for Inquiries

For general inquiries about applications for childcare centers and other facilities, Suita City has introduced an AI chatbot that responds using artificial intelligence. Please make use of this service.

If you would like to consult with staff at the Nursery and Kindergarten Section counter, please make a reservation via LINE by the day before to help prevent congestion.
