Health Checkups for Children Entering Elementary School

小学校就学時健康診断について

Health checkups will be conducted at elementary schools in Suita City for children entering elementary school in April 2027. If you are unable to attend the health checkup at your assigned school, you may have the checkup at a different elementary school.

For more details about the date, time, and location, please check the information letter that will be mailed to you in early October or visit the Suita City website listed below. If you do not receive the information letter by Wednesday, October 14, 2026, please contact the Department of School Education.

■ Health Checkup Period

Thursday, October 15 – Thursday, December 10, 2026

■ Eligible Children

Children born between April 2, 2020 and April 1, 2021 who will enter elementary school in April 2027.
